## Tice Elementary School Dual Language Program Parent Commitment Letter for 2015-16 School Year

Student's Name: \_\_\_\_\_ School ID # \_\_\_\_\_ Grade: \_\_\_\_\_  
(Please Print) First Last

I understand that in a Dual language program, instruction is provided in two languages (in this case, English and Spanish). Subject matter (Language Arts, Science, Math, Social Studies) is taught in both languages in classrooms composed of both native English speakers and native Spanish speakers. Program goals are for students to:

- become fluent and literate in two languages
- attain high levels of academic achievement
- develop positive attitudes and appreciation of other cultures
- develop positive social values and behaviors

A brochure and a program overview have been shared with me. I understand that both Spanish and English instructional materials will be used to educate my child.

I agree that my commitment and support to my child's educational development is imperative. To the best of my ability, I will remain committed to the K-5 Dual Language program by insuring my child's daily regular attendance, by attending program orientations, meetings and school activities. I will also participate in extracurricular activities.
